Please see the R.H.D. note overleaf. It is not known why a separate post of clerk in the sanctioned Govt. scale should not be sanctioned for the purpose. Perhaps the proposal made by the R.H.D. is in view of the consideration that an experience clerk would be more useful and suitable for the work in question. If this presumption is correct F.D. may agree to sanction a post of clerk ~~carrying~~ in the scale of Rs. 25-5/2-55 (personal to the proposed incumbent) for six months in the first instance: F.D. may also agree to the proposed grade pay plus 20% Spl. pay as it will be noticed that together with Spl. pay the total emoluments of the clerk would be not be more than what admissible to a qualified clerk in the Govt. clerical scale. It may however be made clear that this is being agreed to as a Spl. case and that sanctioning of Spl. pay should not be considered as a precedent for fixing pay of the staff for Evacuee Property work.
